2024 KONI Power Wheels Downhill Attack! by Jet Hot Official Rules

Do you have a Power Wheels car gathering dust or rainwater in your backyard? No need for it to slowly turn into junk in your backyard - we can turn it into junk QUICKLY on the legendary "rollercoaster" at VIRginia International Raceway! Bring it to HyperFest 2024 at VIR and RACE IT!

When: Saturday May 18, 2024 at 6PM – races start at 7PM
Where: The legendary "rollercoaster" section of the 3.27 mile VIRginia International Raceway race track.
How: One brave soul, a Power Wheels style ride-on vehicle and gravity.
Prize: $100 to winner. Nothing for second because second place is just the first loser!

Rules:
1. Electric motor(s) must be removed.
2. ***Battery must be removed.
3. Wheels must be stock ("OEM") plastic. No Rubber wheels or rubber modifications to the wheels.
4. No Added Ballast. (does not include the four cheeseburgers you had before the race)
5. Riders must perform pre-event registration which includes signing the official waiver.
6. Follow all instructions from VIR and HyperFest staff.
7. Starts must be from a standstill.   No pushoffs you cheating cheaters!

*** You *may* add a battery to power any lights/electronic accessories on your car – anything that (safely) enhances the show. However if you are caught trying to power a hidden motor or are even suspected of cheating, you will be BANNED FOR LIFE!

Dress (the following MUST be worn):
1. Closed toed shoes (no sandals, flipflops etc.). If you can see any part of your foot, you can't wear it.
2. Jeans or similar long pants.
3. Long-sleeved shirt.
4. Gloves
5. Helmet, DOT or Snell 2005 or newer, must fit with the chin strap connected:
   a. Full face helmet wearers must have visor that is closed. If a visor is not present or cannot be closed, you must also wear waterproof googles
   b. Open faced helmets wearers must also wear waterproof goggles

(Kneepads, elbow pads, wristpads, neckbraces, leathers, etc. are all allowed and **STRONGLY RECOMMENDED!)**
